LUDWIG-MAXIMILIANS-UNIVERSITÄT MÜNCHEN

As one of Europe's leading research universities, Ludwig-Maximilians-Universität (LMU) in Munich is committed to the highest international standards of excellence in research and teaching. Building on its more than 500-year-long tradition, it offers a broad spectrum that covers all areas of knowledge within its 18 Faculties, ranging from the humanities, law, economics and social sciences, to medicine and the natural sciences.

The Faculty of Mathematics, Informatics and Statistics invites applications for a

Professorship (W2) (6 years/tenure track)
of Pure Mathematics

commencing as soon as possible.

We are looking for excellent candidates in a current core area of pure mathematics whose research interests complement and extend the ones of the existing research groups at the Department of Mathematics in algebraic/arithmetic geometry and differential-geometry/topology. The appointee is expected to participate in the general teaching duties of the Department of Mathematics and to actively contribute to initiatives of the Department in research and teaching.

LMU Munich seeks to appoint a highly qualified junior academic to this professorship and, therefore, especially encourages early-career scholars to apply. Prerequisites for this position are a university degree and a doctoral degree or a comparable specific qualification. With an excellent record in research and teaching to date, prospective candidates will have demonstrated the potential for an outstanding academic career.

The initial appointment will be for six years. After a minimum of three years, it can be converted into a permanent position pending a positive evaluation of the candidate's performance in research and teaching as well as his or her personal aptitude and if all legal conditions are met.

Under the terms of the "LMU Academic Career Program", in exceptional cases and subject to outstanding performance in research and teaching, the position may be converted from a W2 into a W3 Full Professorship at a later date.

LMU Munich makes a point of providing newly appointed professors with various types of support, such as welcoming services and assistance for dual career couples.

LMU Munich is an equal opportunity employer. The University continues to be very successful in increasing the number of female faculty members and strongly encourages applications from female candidates. LMU Munich intends to enhance the diversity of its faculty members. Furthermore, disabled candidates with essentially equal qualifications will be given preference.

Please submit your application comprising a curriculum vitae, documentation of academic degrees and certificates as well as a list of publications to the Dean of the Faculty of Mathematics, Informatics, and Statistics, Prof. Dr. Göran Kauermann, Ludwig-Maximilians-Universität München, Theresienstr. 39, 80333 München, Germany, by 30th June 2020. Please mail the application also electronically to dekanat16@lmu.de as **one pdf-file** not larger than 10 MB.
